Ref. No.60/A3/AMCH/2020

Dated: 02.12.2020

C I R C U L A R

As per guidelines received from Tamil Nadu Government the reopening date for Annapoorana Medical College & Hospitals is fixed on 7th December 2020.

To streamline the screening procedure for COVID 19 pandemic it has been planned to follow phase wise reporting time.

The reporting dates for the students are as follows:

- ❖ Reporting time: 09.00 am – 12.00 pm at JR & SR Quarters. Out station students can report the previous day of the scheduled date .
- ❖ RTPCR testing will be done at subsidized rate of Rs.1500. After sample giving the sample for testing students must return to JR & SR Quarters till report is released.
- ❖ Only after the screening process the students will be able to proceed to their respective hostel rooms

Date & Day	MBBS Phase	Number of Students
07.12.2020 - Monday	I MBBS	Roll No: 01 – 75
08.12.2020 - Tuesday	I MBBS	Roll No: 76 – 151
09.12.2020 - Wednesday	II MBBS III MBBS – Part I	Roll No: 01 – 0 5 Roll No: 01 – 75
10.12.2020 - Thursday	III MBBS – Part I	Roll No: 76 – 149
11.12.2020 - Friday	III MBBS – Part II	Roll No: 01 – 75
12.12.2020 - Saturday	III MBBS – Part II	Roll No: 76 - 148

- ❖ The students are expected to report on or before the tentative date fixed as above without fail.
- ❖ Regular online classes will continue until the students come to the college as per the above schedule
- ❖ All students are instructed to follow strict precautions towards COVID-19 (Prevention).
- ❖ The students should submit the declaration form, duly filled up and signed by Parents / Guardian at the time of reporting without fail which is available in the website.

STANDARD OPERATING PROCEDURES

1) PREFACE:

India is currently witnessing a steady decline in cases from its peak in September, with the country reporting fewer than 50,000 daily new infections. The Government of India through its Ministries, viz., Ministry of Home Affairs, Ministry of Health, Ministry of Ayush and Ministry of Education took several initiatives to contain the spread of the virus and issued directives and advisories to educate the people about the gravity of the infection from Coronavirus and the measures to protect from it. Specific instructions were also issued to the universities and colleges by the Ministry of Education and the UGC in this regard.

In order to contain the spread of the COVID-19 pandemic in the educational institutions and to ensure continuity in the teaching-learning process, under the directions from the NMC, MoHFW and TNMGRMU, Annapoorna Medical College and Hospitals have implemented various methodologies of online education by conducting theory and clinical postings, MCQ tests, IA tests and Assignments by making the best use of e-resources with profound support from college management, students and the faculty staff.

Now with direction from NMC and TNMGRMU, we are resuming back to routine academic sessions with appropriate and adequate COVID 19 precautions.

2) RE-OPENING THE COLLEGE - ISSUES AND CHALLENGES

As the national medical commission has instructed with the best interest of medical education to re-open all the medical colleges in the states and UTs and they have also suggested the teaching schedule for different classes to be followed. Further NMC also specified that students should also be familiar with the inherent threats and opportunities in the health care system which they would eventually handle themselves. It should not become a missed opportunity for medical students to learn the skills of epidemic management as a public health professional.

Keeping in view the uncertainties of the future due to the COVID-19 pandemic and its impact on the functioning of universities and colleges, we are planning to reopen our college by ensuring the safety, health, and well-being of all students and staff. We will be flexible in our academic plan and will be ready to handle any eventuality arising due to COVID-19. But at the same time re-opening is not without challenges.

These challenges are

- a) Anxiety, mental health and psychological issues of students developed during the lockdown period and fear of infection after the opening of campuses.
- b) Maintaining the safety measures including sanitisation of premises, thermal screening, ensuring physical distancing, face-cover/mask-wearing, respiratory hygiene and hand-hygiene etc.
- c) Besides students, a serious risk of infection will also be faced by the faculty, counsellors and other technical and non-teaching staff also who face/ interact with the students and also among themselves regularly.
- d) Varied conditions of the pandemic in the state, area and environment where the students mainly live while making risk assessment and planning to address these challenges.

3) PRE-REQUISITES

We need to fully abide by the directions, instructions, guidelines and orders issued by the Central and State Government concerned regarding safety and health in view of COVID-19. We have to make adequate arrangements to ensure the safety and health of students, faculty and staff. The faculty, staff and students of the university and college should be encouraged to download 'AarogyaSetu App'.

We are ready with a plan for handling the inflow of students, faculty, and staff in the campus, monitoring disinfecting measures, safety and health conditions, screening and detecting the infected persons, containment measures to prevent the spread of the virus in the campus, and also alternative plan(s), in case the campus needs to be closed again due to spread of the virus in campus or in the surrounding area(s) in the near future.

4) PRECAUTIONARY AND SAFETY MEASURES TO BE TAKEN:

Strict adherence to social distancing, use of face masks and other protective measures in all areas of the campus includes administrative offices, lecture halls, out-patient and in-patient areas, laboratories, museums, Hostels and libraries, etc.

It will be ensured that not more than 50% of the total students should be present at any point of time and necessary guidelines/protocols to prevent the spread of COVID-19 are observed.

Periodic training shall be provided to staff and students to assist and undertake the work related to safety and health to prevent an outbreak of the pandemic in the campus. Non-resident students will be allowed in campuses only after thermal scanning, sanitization of their hands, wearing of face masks and gloves. Symptomatic persons will not be permitted to enter the campus and will be advised to for clinical assessment.

To avoid the risk of transmission, the students, faculty and staff will be screened and symptomatic ones be clinically assessed before allowing them entry into the campus.

Isolation facilities for symptomatic persons and quarantine facilities for those who were in contact with the positively tested persons will be provided on campus. Proper arrangement of safety, health, food, water, etc. will be ensured for those in quarantine and isolation facilities. All programmes and extracurricular activities will be avoided where physical distancing is not possible.

Clean and hygienic conditions, as per safety and health advisories of the concerned government departments, will be maintained at all places, including hostel kitchens, mess, washrooms, libraries, classrooms etc.

Proper signages, symbols, posters etc. will be prominently displayed at appropriate places to remind the students, faculty, and staff for maintaining physical distancing.

COVID-19 cell will be established by the institution and will be prominently displayed containing the emergency number, helpline number, email id and contact details of persons to be contacted in case of any emergency in the institution.

We need to ensure the norms of physical distancing, sanitization and hygienic conditions for the use of common facilities, viz., Auditorium, Conference/ Seminar halls, Sports, Gymnasium, Canteen, Parking Area etc.

5) SAFETY MEASURES AT ENTRY/ EXIT POINT(S)

- ✧ Adequate arrangements of thermal scanners, sanitizers, face masks will be made available at all entry and exit points, including the reception area.
- ✧ Crowding must be avoided at entry/ exit points. Staggered timings of entry and exit with limited strength for different programmes will be followed.
- ✧ Monitoring of the entry and exit of the students will be done.
- ✧ Screening of students, faculty and staff, wearing of face covers/ mask, sanitizing of hands etc. will be ensured at all entry points.
- ✧ Those having symptoms of fever, cough or difficulty in breathing will not be allowed to enter.

6) SAFETY MEASURES DURING WORKING HOURS

- ✧ Proper sanitization at all learning sites will be ensured.
- ✧ Cleaning and regular disinfection (using 1% sodium hypochlorite) of frequently touched surfaces (door knobs, elevator buttons, hand rails, chairs, benches, washroom fixtures, etc.) to be made mandatory in all class rooms, laboratories, (and also) lockers, parking areas, other common areas etc. before the beginning of classes and at the end of the day.
- ✧ Teaching materials, computers, laptops, printers, shall be regularly disinfected with 70% alcohol swipe.
- ✧ Sitting places in classes, laboratories, computer labs, libraries etc. will be clearly marked, keeping in view the norms of physical distancing.
- ✧ At least one seat will be left vacant between two seats.
- ✧ Wearing face cover/ mask is a must at all times and at all places inside the campus.
- ✧ Extra-curricular and sports activities may be allowed where physical distancing is feasible and is in accordance with the Ministry of Home Affairs guidelines, issued under Disaster Management Act, 2005 from time to time.
- ✧ Hand washing stations with facilities of liquid soap will be created so that every student can wash her/ his hands frequently.
- ✧ Proper sanitization of buses, other transport and official vehicles of the institution will be done.
- ✧ Spitting in the campus made as a punishable offence.
- ✧ Dustbin for collection of used facemasks, personal protective equipment, hand gloves and their disposals will be ensured as per safety norms.

- ✧ All employees who are at higher risk, i.e., older employees, pregnant employees and employees who have underlying medical conditions will be advised to take extra precautions.

7) COVID-19 APPROPRIATE BEHAVIOUR.

- i. Physical distancing of at least 6 feet to be followed as far as feasible.
- ii. Use of face covers/masks are mandatory.
- iii. Frequent hand washing with soap (for at least 40-60 seconds) even when hands are not visibly dirty. Use of alcohol-based hand sanitizers (for at least 20 seconds) can be done wherever feasible.
- iv. Respiratory etiquettes to be strictly followed. This involves the strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief/flexed elbow and disposing of used tissues properly.
- v. Self-monitoring of health by all and reporting any illness at the earliest.
- vi. Spitting shall be strictly prohibited.

8. HOSTEL:

- a) Cleaning of Room should be done every day.
- b) Spitting, throwing wastes, garbages in the room and campus is strictly prohibited.
- c) Inmates should not allow other residents and local students into the room/hostel.
- d) Washing hands, Social distancing, Wearing face masks and other hygiene procedures should be practiced mandatorily by all the residents of the hostel.
- e) Body temperature will be monitored frequently and hand sanitizers will be provided in every block of the hostel and mess
- f) MESS: Maintain adequate social distance and follow the queue system in Mess. Timing may be allotted to dine. Mealtimes should take place on a rotational basis.
- g) Outside food is not allowed into the college campus, food provided by the hostel authorities only need to be consumed in the designated mess area
- h) Every student need to confine themselves to their allotted room and not to venture into others room and are not allowed to roam around the college Campus unnecessarily
- i) Any symptoms of ill health immediately contact the hostel authorities.
- j) Students **will not be allowed to leave the college**/hostel campus as long as they intend to stay for academic purpose
- k) **No gathering is allowed**
- l) **Sports and other recreational activities where social distancing cannot be practised will not be allowed.**

MESS TIMINGS FOR THE INMATES OF BOYS / GIRLS HOSTEL :

◆ <u>MORNING BREAKFAST:</u>	FIRST YEAR MBBS	: 7.15 AM – 7.45 AM
	PRE FINAL YEAR	: 7.45 AM – 8.15 AM
	FINAL YEAR	: 8.15 AM – 8.45 AM
◆ <u>LUNCH:</u>	FIRST YEAR MBBS	: 12.00 PM - 12.30 PM
	PRE FINAL YEAR	: 12.30 PM - 01.00 PM
	FINAL YEAR	: 01.00 PM - 01.30 PM
◆ <u>TEA:</u>	FIRST YEAR MBBS	: 4.15 PM - 4.30 PM
	PRE FINAL YEAR	: 4.30 PM - 4.45 PM
	FINAL YEAR	: 5.00 PM - 5.15 PM
◆ <u>DINNER:</u>	FIRST YEAR MBBS	: 7.10 PM - 7.30 PM
	PRE FINAL YEAR	: 7.40 PM - 8.00 PM
	FINAL YEAR	: 8.00 PM - 8.20 PM

9) REGULAR MONITORING OF HEALTH:

- Our institution will regularly monitor the health of its students, faculty, and staff.
- Faculty, staff and students will also be sensitized on self-monitoring of their health.
- Faculty, Staff and students will be asked to submit self-disclosure if any of their family members have been infected/availed treatment for COVID-19.

10) COUNSELLING & GUIDANCE FOR MENTAL HEALTH

In order to reassure the students' community to avoid any kind of stress or panic in the prevailing situation vis-a-vis their studies, health and related issues, all the faculty members, students and staff will be made aware of the Web page named "Manodarpan" – created on the Ministry of Education website to provide psychosocial support for Mental Health & Well-being during the COVID – 19 outbreak and beyond.

Mental health, psychological concerns and well-being of students will be regularly monitored by Counsellors and other identified faculty.

COVID-19 help groups of students headed by hostel wardens / senior faculty who can identify friends/ classmates in need of help and provide the immediate necessary help will be formed.

11) RESPONSIBILITIES OF TEACHERS

- ♣ Teachers should make themselves fully aware of institutional plans and Standard Operating Procedures.
- ♣ Teachers should make the students aware of the COVID-19 related situation, precautions and steps to be taken to stay safe and healthy.
- ♣ Teachers should monitor and keep track of the physical and mental health of their students.

12) RESPONSIBILITIES OF PARENTS:

- ❖ The parents should ensure that their children observe safety norms at home and whenever they go out.
- ❖ Parents should not allow their children to go out if they are not feeling well.
- ❖ Parents should sensitize them to healthy food habits and measures to increase immunity.
- ❖ Parents should ask them to do exercise, yoga, meditation and breathing exercises to keep them mentally and physically fit.

13) RESPONSIBILITIES OF STUDENTS:

- ♠ Self-discipline is most important to contain the spread of the COVID-19 pandemic through social distancing and maintaining hygienic conditions.
- ♠ All students should wear face covers/ masks and take all preventive measures.
- ♠ The students must inculcate activities that will increase immunity-boosting mechanism which may include exercise, yoga, eating fresh fruits and healthy food (avoid fast food), sleep timely.
- ♠ Discrimination of fellow students in respect of whom there is a history of COVID-19 disease in the family be avoided.
- ♠ Give support to your friends under stress due to the COVID-19 pandemic.
- ♠ Students should follow the guidelines, advisories and instructions issued by the Government authorities as well as by the universities and colleges regarding health and safety measures in view of the COVID-19 pandemic.

ANNAPOORANA MEDICAL COLLEGE & HOSPITALS, SALEM.

LETTER OF UNDERTAKING BY PARENT / GUARDIAN

I, Mr / Mrs. _____

Parent/Guardian of Mr/Ms. _____ student of _____ MBBS staying in Boys / Girls Hostel Room No _____ / Day scholar, hereby sign an undertaking that I am fully aware of current COVID - 19 pandemic situation and I am willing to send my son / daughter to College to participate in academic activities.

I also promise that He / She will abide by rules and regulation of the COVID-19 instructions and guidelines made by College authorities and Govt. of Tamil Nadu as given below.

- We are aware that Negative RT- PCR for COVID – 19 is mandatory for Re-joining and the test report must be dated 24 hrs before the date of Re- joining.
- We are also aware that COVID – 19 testing can be done at your place or at AMCH Molecular Research Lab BSL 2 and should be reported 24 hrs before the date of Re – Joining. It can also be done at Government Medical College & Hospital for free of Cost.
- After rejoining, if my ward is COVID Positive, we will take our own decision for the place of treatment. If admitted at AMCH we will fully abide by rules and regulation of AMCH for COVID admission.
- After the treatment for COVID – 19, we will make our arrangements for quarantine for the period of 14 days in our home as per government rules and precautions.
- If the university exams fall during the quarantine period, we will take responsibility to make our ward to write the exams as per the university guidelines and approval.
- We fully agree that management of AMCH will not held any responsibility if COVID – 19 appropriate behaviour is not followed by our ward.

For Day - Scholars

- Transport facility from the college will not be provided till the pandemic is over as it carries risk of spreading the infection.
- We declared that our ward will follow the COVID Precautions even at home so that he/she will not be source of infection to others.

However, if he/she does otherwise, I opt to be held liable.

Declared this _____ day of _____ 2020.

Signature of Parent / Guardian & Date

FOR STUDENTS ONLY

I hereby affirmed that the above person is my Parent / Guardian and the undertaking is made on my behalf.

Signature of Student & Date
