

DEPARTMENT OF MICROBIOLOGY

FACULTY	PUBLICATIONS	NATIONAL CONFERENCE PRESENTATION		ONGOING RESEARCH
		ORAL	POSTER	
<p>Dr G Kalaiselvi M.D</p> <p>Associate Professor</p>	<p>1. Rapid Diagnosis of Tuberculous Pleural Effusion by IS6110 Sequence Based PCR. International Organization of Scientific Research – Journal of Dental and Medical Sciences,2013; 12(6): 50-54</p> <p>2. Phospholipase activity of Candida albicans isolated from urine samples of hospitalized patients. International Journal of medical AND Applied Sciences2013; 2(1): 60-65</p>		<p>1. Apr-2012 Poster presentation at Basic Medical sciences conference held At Vinayaka Mission Medical College-SALEM “Phospholipase activity of Candida albicans isolated from urine samples of hospitalized patients”</p> <p>2. January 2014 Poster presentation at 10th National conference of the Society for Indian human and animal Mycologists, Coimbatore “Phospholipase and proteinase activities of Candida albicans strains isolated from clinical samples”</p>	<p>Emergence of Drug resistance organisms on the hands of Health care workers</p>
<p>Dr.N.Shanmuga vadivoo M.D</p> <p>Assistant Professor</p>	<p>1. Frequency of ESBL producing Enterobacteriaceae & their Antibiotic sensitivity pattern”, National journal of Basic medical sciences, Jul- Sep</p>		<p>1. November 2013- Poster Presentation at IAMM conference –Hyderabad on “Evaluation of changing bacteriologic profile in endotracheal aspirates of mechanically ventilated</p>	<p>1. Dynamic Bacteriologic profile in endotracheal aspirates and its Sensitivity pattern -A cause of concern</p> <p>2. Epidemiology & Prevalence rate of Nasal Carriage of Community</p>

	<p>2010 ,Vol -1, issue- 1, page 26-28.</p> <p>2. Ten year study of fungal keratitis at a Tertiary care centre, National journal of Basic medical sciences, Oct-Dec 2012, Volume - III, Issue- 2,149-153.</p> <p>3. Colletotrichum <i>keratitis</i>: A Rare but Definite Clinical Entity. Journal of Clinical and Diagnostic Research. 2013 Jul, Vol-7(7): 1430-1433. PMID: PMC3749653</p> <p>4. Analysis on frequency of Imipenem resistant gram negative bacilli at a tertiary care centre. Online journal of biosciences and informatics, vol: 5, issue 3, 2013.page 537-548.</p>		<p>& tracheotomised patients”</p> <p>2. Nov-2011:Presented Poster at IAMM conference held at BHU-Varanasi “Frequency of Imepenam resistant Gram negative Bacilli for a period of three years in a tertiary care hospital.”</p>	<p>acquired MRSA-A population based study</p> <p>3. Survey on knowledge and perceptions of clinicians towards antimicrobial resistance- A multicenter study</p>
<p>Dr Priya Santharam M.D</p> <p>Assistant Professor</p>	<p>Multi-Drug Resistant Tuberculosis - A prospective study. Online journal of biosciences and informatics, vol: 1, issue 1, 2014. Page 38 - 49</p>	<p>Apr-2012 Oral presentation & Won the Best paper Award at Basic Medical sciences conference held At</p>		<p>Active surveillance of ICU patients for the incidence of Ventilation associated pneumonia at a tertiary care centre</p>

		Vinayaka Mission Medical College- SALEM- “MDR –TB A prospective study”		
Dr K Sudha M.D Assistant Professor				Identification, speciation and Antibiotic sensitivity pattern of Non-fermenting gram negative bacilli at a Tertiary care hospital
Mr Nitesh Kumar Jaiswal M.Sc Tutor				Study on the additional criteria for the early diagnosis of leptospirosis
Mr Amarkumar M.Sc Tutor				Study on Bacterial and Fungal infections in clinically suspected Tuberculosis patient
